MUMBAI, FEBRUARY 11

A JM Financial Foundation, the philanthropic arm of JM Financial Group, on Sunday hosted its annual charity initiative – Walkathon 2018.

The 6 km walk along Marine Drive was flagged off at 7.30 am in the presence of Nimesh Kampani, Chairman, JM Financial Group and Vishal Kampani, Managing Director, JM Financial Group.

The charity event aimed at mobilising funds for the several causes undertaken by the foundation. Some of the causes supported by the walkathon are education and health programmes for the underprivileged and differently abled, an-

imal welfare, promotion of sports, music and culture and disaster relief.

The theme for the event this year was 'Together We Empower. One step at a Time'.

Most of the participants were young professionals, philanthropists, employees of the group to create awareness and become the catalysts for a positive change.

Speaking on the occasion, Kampani said, "It is important to inculcate the art of giving or sharing.

When we come together through such initiatives, it goes a long way in empowering the entire society. Every step we take forward together is a big leap to help those around us who are in need of support."
